Porcelain Slabs | 800x1600mm

about Invoke

Invoke Tiles stands as a beacon of excellence in the global ceramic industry, a testament to the vision and foresight of its robust team. Its legacy of over a decade lives on through the quality we deliver, and the innovations we engineer!

Under the dynamic leadership of Mr. Vivekraj Jadeja, the Managing Director, the brand has continued to soar to greater heights. Invoke's unwavering commitment to innovation, coupled with its vast selection of products in all categories, has made it the ultimate décor solutions provider.

As Invoke Tiles continues to evolve and grow, its commitment to providing its customers with the very best in décor solutions remains steadfast, today and always!

OUR VISION AND MISSION

VISION STATEMENT

Invoke has taken the Ceramic Industry by storm since its inception, offering an unparalleled product range that has set us apart from the competition. Our vision of becoming the global leader in the industry is unwavering, and we are well on our way to achieving it. With a dedicated team of trained professionals and skilled experts, we are proud to say that we have reached the halfway mark towards our goal.

MISSION STATEMENT

At Invoke, we don't just create ceramic solutions; we craft them with an eye towards the future. Our mission is to stay ahead of the curve, and continuously push the boundaries of what's possible. We believe that innovation is the key to unlocking the full potential of ceramic technology, and we're always exploring new avenues to make this happen.

Porcelain Slabs

Advantage

Porcelain slabs come in a wide range of colors, patterns, and finishes, allowing for versatile design possibilities that mimic the look of natural stone, wood, or unique contemporary styles, while maintaining the benefits of porcelain's durability and easy maintenance.

Scratch Resistant

Ensure maximum protection from heat, fire, contact with food and scratches.

Chemical Resistant

Guarding your application towards food stains, frost, and water (rings).

Impact Resistant

Made with ecological processes and eco-conscious materials, the products are a greener choice.

Features

Porcelain slabs are renowned for their exceptional hardness and durability. They are highly resistant to wear, scratches, and impacts, making them suitable for high-traffic areas and outdoor applications.

Frost Resistant

UV Resistant

Heat Resistant

Natural look & Feel

High Quality

Antibacterial Surface

Lowest Maintenance Efforts

Liquid Repellent & Water Resistant

Solution For Architects & Professionals

Application Area

Shops & Showroom

Porcelain slabs in shops & showrooms provide a durable and aesthetically pleasing surface for showcasing products and enduring heavy foot traffic.

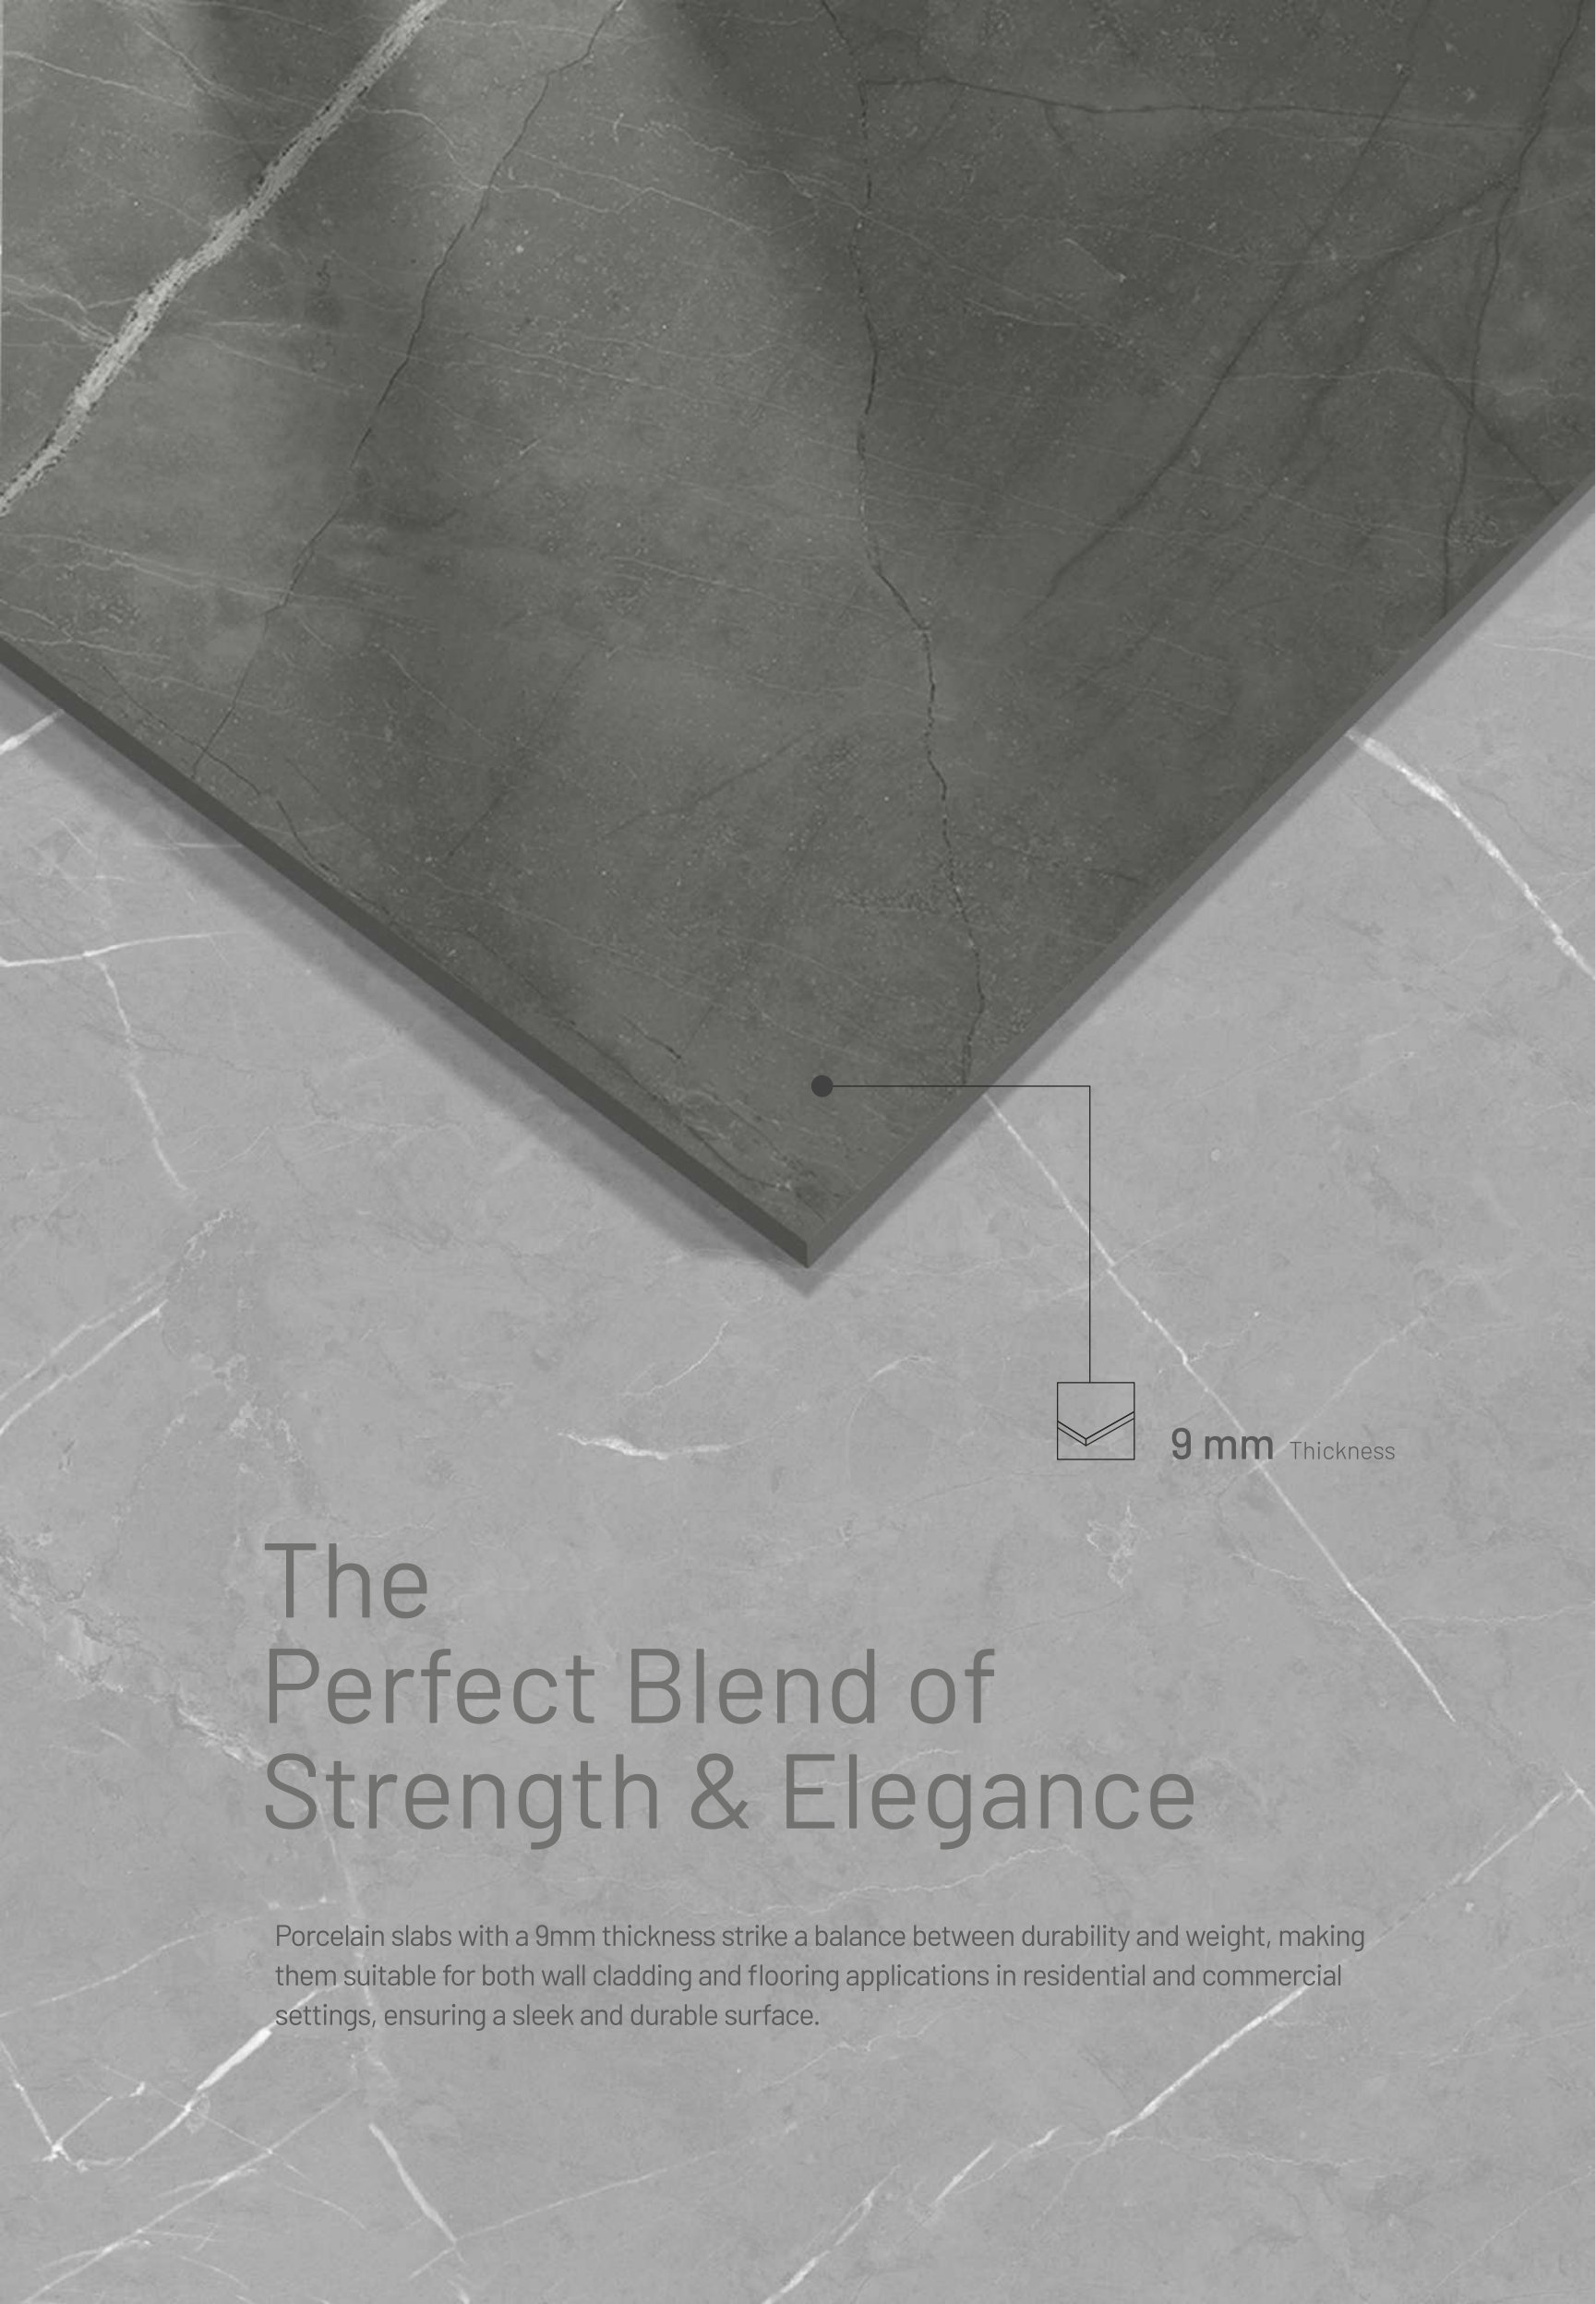

Residential

Porcelain slabs in residential spaces offer a combination of elegance and durability, making them an ideal choice for countertops, floors, and walls.

Corporate Office

Porcelain slabs in corporate offices provide a sophisticated and low-maintenance surface suitable for creating a professional and inviting workspace.

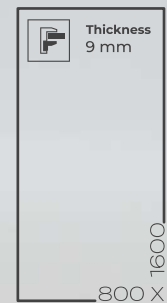

9 mm Thickness

The Perfect Blend of Strength & Elegance

Porcelain slabs with a 9mm thickness strike a balance between durability and weight, making them suitable for both wall cladding and flooring applications in residential and commercial settings, ensuring a sleek and durable surface.

Polished

CARVING

MATT

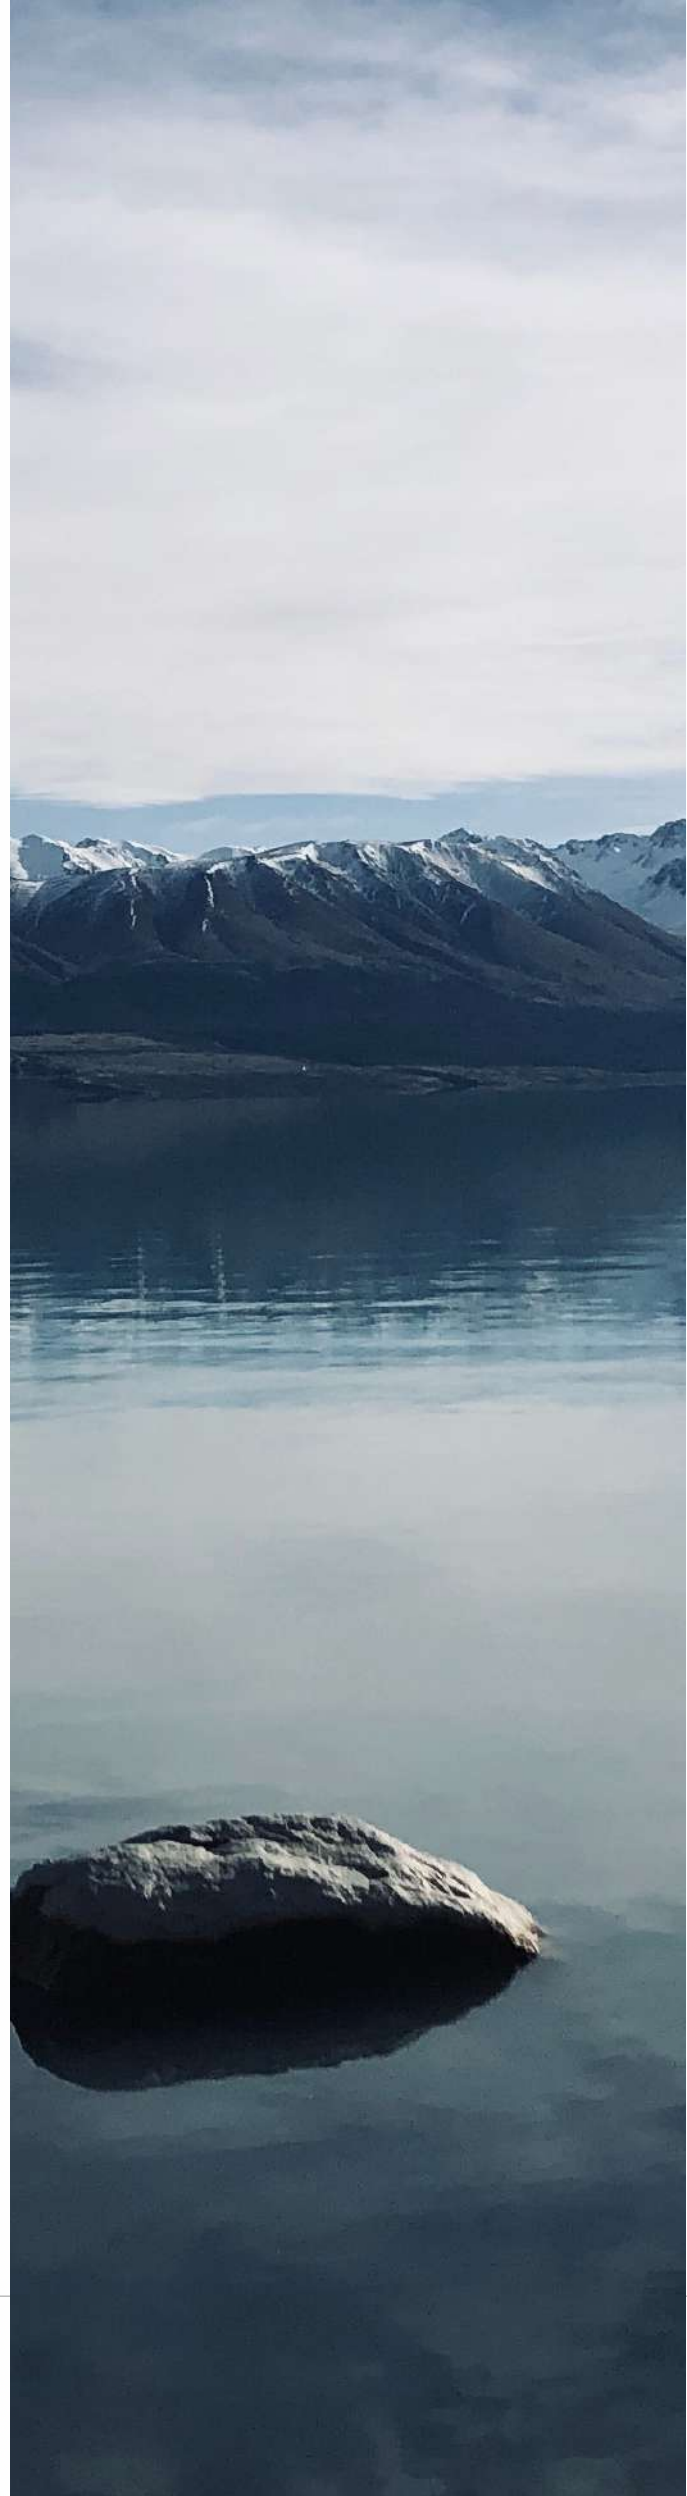

HIGH GLOSS

Porcelain slabs in the generous 800x1600 size offer expansive and seamless surfaces, perfect for creating a modern and visually striking aesthetic in both residential and commercial spaces, with fewer grout lines for a clean and sleek look.
